

The image shows a mobile application interface for adding a new event. At the top, the status bar displays '09:52 AM' and signal icons. The app header features a back arrow, the title 'Add New Event', and a red close button with a white 'X'. Below the header, there are two toggle buttons: 'Walk' (selected) and 'Other'. The form includes several input fields: 'Event Name' with placeholder text 'Name of event', 'Leader Name' with placeholder text 'Name of leader', and 'Date of Event' with the value '25 / 05 / 2022' and a calendar icon. A large text area for 'Event description' contains the placeholder 'Summary of the event'. At the bottom, there are three radio buttons for 'Difficulty': 'Easy', 'Medium', and 'Hard'. A red 'Submit' button is located at the very bottom of the form.

09:52 AM

< Add New Event X

Walk Other

Event Name:
Name of event

Leader Name
Name of leader

Date of Event
25 / 05 / 2022
